Education

K. Ramakrishnan College of Technology, Trichy   June 2019 – June 2023

B.E Electronics and Communication Engineering   *CGPA – 7.89/10*

Mahatma Gandhi Centenary Vidyalaya   June 2005 – May 2017

Senior Secondary Education [Class X]   *Percentage - 86 %*

Technical Skills

Programming Languages: C/C++, Python
Frontend Development: HTML, CSS
Visualization Tool: Power BI, Tableau
IDEs: Visual Studio Code, Jupyter Notebook,
Cloud Platform: MySQL

Experience

INFOC - Internship   MAY 2024 – Present
Data Analyst- Power BI   *Trichy, India*
- Creating diverse reports and dashboards in Power BI using multiple data sources.

63 Moons Technologies – Trainee ODIN   Feb 2023 – Jan 2024
C/C++ Developer   *Mumbai, India*
- **Collaborated with teams** of experienced developers and testers to deliver high-quality products and services to clients.
- **Contributed to projects** by creating a user interface for a trading platform and enhancing the performance of the data processing system.
- **Debugged and resolved** issues reported by users, ensuring a seamless user experience.

Projects

Customer Segmentation| *Python, K-Means clustering*   Source Code
- Developed a customer segmentation model using unsupervised learning to cluster customers by age and spending score, which provided insights for targeted marketing strategies.

Campus Placement prediction | *Python, Flask, K-Neighbors Classifier*   Source Code
- EDA and visualization process was carried out for the better understanding of the data.
- The model was then deployed with the help of pickle file and hosted with the help of Stream lit.
- Complete Web-Application has been created where it predicts according to the given input.

Mask and Social Distancing Detection | P*ython, Deep Learning*   Source Code
- This code will be able to determine whether a person has worn a mask and is maintaining social distance with the aid of neural networks.
- Furthermore, it will be able to create individual IDs for everyone who appears in front of the camera.

Achievements, Certifications

Achievements: Best Student Award- IEI, 3rd Prize in paper Presentation- IEI
Certifications: Microsoft Certified Power Bi Data Analyst Associate, Post Graduate Program in Data Analytics, Trainee Completion at 63 Moons Technologies.
